

## UNIVERSA Node Sponsorship Agreement

### Title of the UNIVERSA Invention:

.....  
.....  
.....  
(Insert title of the initial discovery or invention)

### Further Discovery/Invention of Node(s):

.....  
.....  
.....  
(Specify the intended area of further research or discovery)

### RAG Address (if available):

.....  
(Insert RAG address, if applicable)

### Number of Nodes Dedicated to this Invention:

(Insert number of nodes, minimum 9 and maximum 108,000 that you want to sponsor for the above topic)

..... x nodes

### Total Monthly Grant Donation (USD):

(Number of nodes x 963 USD monthly)

.... nodes x 963 USD = .... monthly

---

### Sponsor Details:

- **Name of Sponsor (Individual or Organization):**  
(Insert sponsor details)
- **Address:**  
(Insert address)
- **Contact Email (no public domains like Gmail):**  
(Insert official email)

### UNIVERSA Details:

(UNIVERSA contact details)

---

**Duration of Contract:**

- Minimum 36 months. Automatically renewed yearly unless canceled 30 days before the end of the contract period.
- The contract will begin on the first day of the month following the date of signature.
- During this initial period, the AI nodes may not yet be operational, but UNIVERSA will make best efforts to activate the nodes within a reasonable time.

---

**Commitment of Sponsor:**

- The sponsor agrees to pay the total monthly amount (or cover a longer period upfront) by the first day of each month.
- The sponsor understands and agrees that UNIVERSA will apply their **best effort** to manage AI nodes and conduct research on the chosen discovery.
- All results will be published openly on the **Earth Atlas**, and sponsor details will be accessible to the public unless otherwise specified by the sponsor.

---

**UNIVERSA Obligations:**

- UNIVERSA will provide the required hardware, software, and infrastructure to manage the AI nodes.
- UNIVERSA will manage and maintain the nodes to support further inventions on the initial discovery, following a **best-effort basis**.
- UNIVERSA makes no guarantees regarding the exact timeline for bringing the nodes online, but will strive to do so as soon as possible.
- All research results will be published under the **Benevolent Open Source License (BOSL)**, which promotes open, benevolent usage (see attached reference).
- UNIVERSA will hold, manage, and publish the inventions and discoveries and register the open-source copyright as per the BOSL.

---

**Recognition:**

- The sponsor may choose to receive public recognition on the **Earth Atlas**, identifying their contribution to AI-powered research and discoveries.
  - **Check box:** Sponsor name public ☐ **Yes** / ☐ **No**

---

**Karmic Principle:**

- UNIVERSA reserves the right, at its sole discretion, to provide karmic financial returns to sponsors based on the overall donations received.
- This is not guaranteed and should not be seen as an investment.

- Any return will be a recognition of the sponsor's benevolent contribution, with no legal or financial obligation for repayment, as per the reciprocal principle described in the **Benevolent Open Source License (BOSL)**.
- 

**Acknowledgment:**

The sponsor acknowledges and agrees to the terms stated in this agreement. The sponsor understands that UNIVERSA is not liable for guaranteeing specific results and operates on a best-effort basis to further research on the chosen topic.

---

**Dispute Resolution:**

- In the event of any dispute, both parties agree to first pursue resolution through **international mediation and arbitration** in accordance with the applicable rules.
  - Should the mediation or arbitration fail to resolve the dispute, the laws of the state of **Delaware, USA** shall apply.
- 

Attachment:

**Benevolent Open Source License (BOSL)**

**Sponsor Signature:**

*(Print and sign this form, then kindly submit via the official indicated contact email)*

**The signed form should be sent to:**
